my script from

Website idea

Totally is a website for tetotallers, people who don't drink alcohol, and those who wish to give alcohol the kick. We offer stockists, recipes and listings of venues who offer a great selection of non-alcohol drinks, not just a soda and lime.

- I want to use image cards that flip over information

- or expand to double the size.
- Pop out menu search bar.
- use API maps.
- submit form data.
